## CYBERSECURITY PROFESSIONAL

### CONTACT

- 📞 646-221-1929
- ✉️ Abreoa94@gmail.com
- 📍 Tamarac, FL

### SKILLS

- Network Security Implementation
- SIEM & Log Analysis
- Vulnerability & Threat Detection
- Packet Capture Analysis
- Access Control Auditing
- IT Operations Management
- Team Leadership Training
- Event & Client Relations

### EDUCATION

**CyberDefenders**  
Certified CyberDefender (CCD), Oct 2024 - Nov 2025

**University of Miami**  
Cybersecurity Professional Certificate, Jun 2024 - Feb 2025

**Broward College**  
A.S. Business Administration, Sep 2015

### PROFILE

Seeking a cybersecurity role where I can leverage my Security+ certification, training through the University of Miami's Cybersecurity Certification Program, and proven background in business management and operational leadership. I aim to apply my skills in strategic decision-making, risk management, and team leadership to support organizational security, resilience, and growth.

### WORK EXPERIENCE

**Cybersecurity Experience** JUNE 2024 - JUNE 2025  
**Labs & Projects | University of Miami | ACI learning**

- 100+ hrs hands-on labs: Simulated real-world security scenarios using tools like Velociraptor, OSSEC, and Splunk.
- Log & network analysis: Deployed Splunk, monitored logs, and analyzed network traffic with Wireshark and Network Miner.
- Data & access security: Implemented BitLocker encryption and MFA via Active Directory to strengthen account protection.
- Threat detection & vulnerability scanning: Applied OSINT/MITRE ATT&CK, honeypots, Nmap, Nessus, OWASP ZAP, and Metasploit.
- SIEM project: Built Elastic Stack SIEM home lab; created dashboards and alerts for proactive incident response.

### Professional Experience

Premier Martial Arts - Weston, FL  
**Director of Instruction | May 2024 - Present & Manager | Apr 2019 - May 2024**

- Achieved studio performance and revenue goals; integrated IT infrastructure for local tournaments.
- Increased profitability by 2% through effective business strategies and consistent year-over-year growth.
- Consistently exceeded monthly sales quotas by 10%+ via targeted promotions and upselling services.
- Streamlined operations with standardized processes, reducing errors and improving efficiency.
- Trained and mentored instructors to maintain high-quality instruction and customer satisfaction.
